Legal Context of Property Liens and Theft

This section outlines the legal implications surrounding property liens, theft, and related offenses in Texas.

Judges courtroom of Chairman Of The Board presides over cases involving FHA/commercial loans and property liens.

Specific San Antonio Police Department case numbers are referenced: 2023-1687368, 2023-1448879, 2025-1998568, 2025-0998069, 2025-1027164.

Properties involved are appraised at a minimum value of \$250,000 each, linked to Midland Mortgage and 47 Realty startups.

The text references the Texas Penal Code, particularly offenses against public administration and theft.

Theft and Fraudulent Activities

This section details various forms of theft and fraudulent activities, including impersonation and bank fraud.

Impersonating a public servant is highlighted as a serious offense under Texas law.

The text mentions theft of property from owners and loanholders, emphasizing the legal consequences.

Bank fraud is cited under 18 U.S. Code § 1344, indicating severe penalties for such actions.

Money laundering and embezzlement are also addressed, referencing the Money Laundering Statutes (18 U.S.C. §§ 1956 and 1957).

Definitions and Legal Framework of Theft

This section provides definitions and legal frameworks related to theft as per Texas law.

"Deception" is defined as creating false impressions that affect another's judgment in transactions.

"Deprive" refers to withholding property from the owner, either permanently or for an extended period.

"Effective consent" is discussed, noting that consent obtained through deception is not valid.

The section outlines various forms of theft, including theft by false pretext and embezzlement.

Classification and Penalties for Theft Offenses

This section categorizes theft offenses and outlines the corresponding penalties.

Theft is classified based on the value of stolen property, with penalties ranging from Class C misdemeanors to first-degree felonies.

Specific thresholds for classification include:

Class C misdemeanor for property under \$100.

Class B misdemeanor for property valued between \$100 and \$750.

State jail felony for property valued between \$2,500 and \$30,000.

Felony of the first degree for property valued at \$300,000 or more.

Enhanced penalties apply if the actor is a public servant or if the property stolen is from vulnerable populations.

Implications of Theft on Public Servants

This section discusses the heightened penalties for theft offenses involving public servants.

Offenses are escalated if the actor was a public servant at the time of the crime.

The law recognizes the exploitation of vulnerable populations, such as the elderly or nonprofit organizations, leading to increased penalties.

Specific provisions are in place for theft involving government contracts or Medicaid programs, allowing for concurrent jurisdiction by the attorney general.
